Let your mind start a journey thru a strange new world. Leave all thoughts of the world you knew before. Let your soul take you where you long to be... Close your eye,s let your spirit start to soar, and you'll live as you have never lived before. *-Erich Fromm*

Each year the ducks of Assumption College make a similar journey that a college student makes. They get here, enjoy their stay, but at the end they return home. Journey through the 2010 yearbook and remember all the good times we had.

Dedication

Sara Swillo

The Class of 2010 and the 2010 Heights Yearbook thanks Sara Swillo for all of her hard work and dedication. We may have received endless emails from her, but she made a difference for our class. We dedicate our Heights 2010 to her and wish her the best of luck.

-Heights 2010

I have known Sara for eight years. Beginning as my work study student and orientation leader at the College of Holy Cross. She was a very outgoing and strong individual. Always willing to help and had an obvious passion for people.

As I have watched her mature through the years her enthusiasm with respect to people has only grown. Always striving to be the very best! She has developed into a wonderful mentor, advisor and friend. As she comes full circle, now joining the Administrative Staff at Holy Cross, I have no doubt that her journey of growth and achievements will continue.

Although my relationship began as a mother figure to Sara, I consider our relationship today as close personal friends which will continue for many years. I only wish Sara the best of luck, happiness and health in her new position. I will miss her very dearly in the Office of Student Activities here at Assumption!

With all my LOVE, HUGS and KISSES
Lili Zannotti

Sara,

You have not only grown professionally, but personally in your time here at Assumption. I know your kindness and generosity will serve you well as you embark on your new journey. Although you are a Crusader, we will always consider you a Greyhound! Best Wishes...

Eric Swindle

David Kowalcyzk

Carol McGuiggan

The class of 2010 thanks David Kowalcyzk and Carol McGuiggan for the sincere dedication to the students of Assumption College. This dynamic duo is responsible for preparing students at all stages for the challenges of facing the job market. The two aim to get students involved and thinking about their futures from the moment they get on campus.

As an Assumption College student not a year goes by without hearing from these two. Each year much of the senior class graduates with a plan, often thanks to these two people who dedicate their lives to the success of the students.

If you have ever received a helpful email about a job, career fair, or had your resume checked and rechecked by one of these individuals then you should have no problem understanding why we dedicate our yearbook to them.

They have touched our class in many ways and we are thankful for the services they offer. We proudly dedicate the 2010 yearbook and thank David K and Carol McGuiggan for everything they do.

ASSUMPTION
COLLEGE

Dear Class of 2010,

You're Beautiful, at least that is what James Blunt told us over and over again during the summer of 2006 as we made our transitions from Kings of the Hall in High School to Freshmeat at College. Borat, Little Miss Sunshine, and Neil Patrick Harris all came out as we came out of high school and headed off to our Summer Orientation sessions. Now, four years later, we are leaving Assumption College and a lot has changed.

Go take a long look in the mirror and then go back and look at a picture of yourself from freshman year, the change is definite. However, your exterior appearance is not the only thing that has changed. Hopefully you have taken advantage of all the opportunities that have been presented to you by Assumption. Four years of education with a basis in the Catholic Intellectual Tradition is not something that everyone has the benefit of experiencing. Some of you may have embraced this and some of you may be happy to leave. Either way, your time here at Assumption College will undoubtedly help you in your future ventures and has given you a firm foundation to stand on as you move from the college lifestyle into a recession ravaged workforce.

The world has also changed a lot since we first came to college. Personally I am frightened to see what society is going to be like without the always great thespian Patrick Swayze but we must press on despite losses and change. Look back on your time at Assumption and cherish all the memories, not just the major events such as Pup Cup, the ice storm of 2008, and the Holiday/Spring Balls, but also the time spent on low-key nights with your roommates and closest friends.

We have certainly had an impact on Assumption during our time here. We are the largest class ever to be admitted, the last class to attend the Junior trip to Montreal, and our Senior year the football team had a winning season for the first time in over a decade (1995). Due to the impact we have had on Assumption we will be looked on in the future to give back and assist the school as young alumni. While attending Assumption, 90% of our fellow students received some form of aid, so if you did not at least one of your closest friends did. Keep this in mind when you begin to receive requests from the alumni office. Ninety percent of us were able to have a great college experience due to the giving of others who have attended Assumption. We are responsible for keeping this tradition alive.

In closing remember the good times you've had at Assumption College and don't let this book and the diploma on the wall be the only ties you have to the school post-graduation. The relationships you've made and the lessons you've learned during your time here will last you the rest of your life. Despite the fact that we no longer populate Assumption's campus and juniors will finally be able to live in Wachusett Hall again, we are and always will be Greyhounds.

God is Love,
Brian Foley '10

Seniors' First Night Out

The class of 2010 celebrated the start of their senior year at Jillian's on September 11, 2009. After spending the summer apart, it was time to reunite with old friends and make new memories. Fear and laughter filled the air while seniors talked about past years and prepared for their last year at Assumption. Jillian's offered plenty of food, entertainment and cocktails. Overall, first night out was very successful and the memories will stay with the seniors for the rest of their lives.

Senior 100 Days

Maxwell Silverman's

Each year the senior class gathers at Maxwell Silverman's to celebrate. On February 5, 2010 this year the class of 2010 partied the night away to celebrate the 100 days left until graduation. It may have been bitter cold with no coat check, but that did not stop seniors from getting on those yellow school buses to go party. Once there students enjoyed food, dancing and music that kept everyone on their feet all night. This was certainly a night to remember with those friends that we will never forget! *-Katie Serpa*

Senior Retreat...Live Like You're Dying

The Senior Retreat took place from February 12-13. Over 50 students from the class of 2010 came together for a 24-hour retreat centered on looking back on their past four years at Assumption and looking forward to the future. Students engaged in conversation and reflection over topics of growing up, commitment, community and faith. It was a time to gain clarity on the upcoming months ahead, pay tribute to the parts of Assumption that have impacted seniors the most and to bond as the class of 2010 once more, all going separate ways but all going down the same road together.

50 Days

Everyone gathered together to celebrate fifty days left of school. Maxwell Silverman's provided food, entertainment and an atmosphere for a fun night. There was dancing to Ludacris' How Low Can You go, and the party favorite the Cupid Shuffle. With drinks in hand everyone had a chance to reminisce and get ready for the short time they had left. Senior Last Night Out

Johnny Mac's

Putting a new spin on things, Assumption College bused the seniors to Johnny Mac's for their last night out. Everyone got together in a space that did not allow for the three feet of personal space. Everyone got close and cozy on the dance floor and enjoyed the Johnny Mac special of $1.50 drafts. There were appetizers floating around and the line to the bathroom was as long as ever. Despite the conditions of the night the senior class enjoyed their last night out together before finals, senior week and graduation.

Baccalaureate Mass & Soirée

Assumption's Class of 2010 finally made it to senior year, never expecting this day would come; the class celebrated and remembered the past for years. The graduating ceremonies began with a baccalaureate mass and soirée for graduates, families, and friends. Mass was said by Most Reverend Robert J. McManus, and Father Barry of the Assumptionists presented the Assumption community with a homily that brought some to laughter and some to tears. Ms. Lei Yu conducted a choir or AC students that provided attendants with beautifully sung music. The crowd gave the choir rounds of applause for their fantastic singing and participation in such a memorable service. The baccalaureate soirée has recently been added to give graduates and families the opportunity to enjoy the AC life one more time before the party is over. Lili Zannotti coordinated a fantastic soirée that provided guests with a live band, delicious appetizers and an array of goodies to accompany the chocolate fountain, which was a fan favorite. The graduating class of 2010 will have a hard time forgetting the memorable events of baccalaureate mass and soirée.

Commencement

May 15, 2010 seemed like it would never come for the graduating class of 2010. We can remember freshman move-in day, rainy and cool, and four years ago. Everyone always said, these would be the fastest, most fun four years of your life, and they were right. After days of studying, hundreds of papers and tests passed in, soirée's and balls danced to, memories made and never forgotten, friends we will cherish for a lifetime, we finally made it to this day. It seemed surreal, and unimaginable that we, AC's class of 2010 were actually graduating. Assumption will have a hard time forgetting us, we were the largest class to be admitted to Assumption and we definitely made our mark. Professors, faculty and staff will remember our fun loving attitudes, our respect for classmates, friends, and the Assumption community. It was difficult to pack up our belongings for one last time, in a mad hurry to get out before our 6 p.m. deadline, parents and graduates said goodbye with tears in their eyes, memories in their hearts, and laughter in their voices. It was an unforgettable four years that went by too fast, but they were years filled with love, laughter, life, and friends. Congratulations 2010 graduates, we did it!

-Moe Toscano, Assistant Editor-in-Chief '10

The Assumption College graduating class of 2010 was honored to welcome Commencement speaker Reverend Lamoureux A.A.. He provided the class with a beautiful speech enlightened by visuals informing the class of the pieta, and the meaning of the word and its symbolic meaning. The class' salutatorian, Sarah Ambacher, kept her speech light and filled with laughter that informed the class of life's future adventures while keeping in mind our past endeavors and experiences.

ASSUMPTION COLLEGE

Dear Graduates:

The last four years have prepared you for this important moment in your life. Whether you are continuing to pursue a graduate or professional degree or beginning a career, you leave Assumption College a different person than when you first arrived on this campus.

We are confident that you have gained mastery in a field of study during your years at Assumption. But, this mastery could have been gained at any institution of higher education. Your education at Assumption College has been different because it is an education that affirms a set of values grounded in the Catholic intellectual tradition and enriched by the charism of the Augustinians of the Assumption. The motto of our College, as you know, is "...until Christ be formed in you." Hopefully, these have not been empty words in the course of the last four years, but rather the inspiring vision that has given meaning to your Assumption experience by making Christ present and known to you in those you have encountered here and in the many facets of life that have shaped you up to this moment. The realization of our motto is possible because you have been engaged in a process of learning that is sacred. For in the act of learning mathematics, history, literature, science, business, education, indeed any of the disciplines represented in this College, something about the way God works within knowledge touches the soul and enlivens humanity. And in the act of acquiring and communicating this knowledge God reveals. The act of God revealing Himself is transformative, not only for you as individuals but for the world in which you will live out your personal and professional life.

As graduates of Assumption College you need to bring God into this broken world because the world does not know God and indeed the world does not want to know God. As you go forward from this place it is my deepest hope that Assumption College has not only been a place where you have learned and developed to live successfully in society. But as a Catholic and Assumptionist institution, I hope it has also been a place where values and beliefs have become an integral part of who you are Describing one of the aims of education, Fr. Emmanuel d'Alzon wrote, "We will find ourselves urging our young people towards God, delivering them from what is false, raising them to the level of truth, transforming them into vessels of truth, convincing them that nothing but truth is real or good." You are those vessels of truth. The world is in desperate need of individuals like you who are willing to embrace the truth, even when doing so may require you to stand in opposition to the secularism and moral relativism that dominate our world today. Do not be afraid to be people of conviction and belief. Do not be afraid to speak genuine truth and to live your lives in a way that is consistent with the values you have gained at Assumption College. Above all, faithfully live out the vocation to which you have been called by God and which you have discovered during your time here.

I congratulate you on all that you have accomplished and I challenge you to take what you have learned to lead a life beyond the self by contributing your time and talent in service to the community so as to create a better world for future generations. Congratulations and God bless you.

Clubs

Campus Activities Board

The Campus Activities Board is responsible for many of the social events that happen all over campus. It is one of the largest event planning organization; from the big spring concert and holiday ball to comedians and big prize bingo, their goal is to make sure that AC students are having fun and can interact with their peers through the school year. The devoted members of CAB work extremely hard each week planning and getting the word out for events for Assumption students to enjoy. All students are invited and encouraged to join CAB and make the best of their four years!

Campus Ministry

Campus Ministry is a group of students, faculty, and staff who all strive to give life and meaning to the motto of Assumption College, "Until Christ Be Formed In You." This mission is carried out through liturgy, prayer, retreats, mission experiences, discussion groups, and other programs. They want students to grow in their faith and their relationship with God. Through the efforts of Campus ministry they help the members of the college community seek truth in the Gospel, accept and embrace the personal responsibility of their baptismal and bring about a world of justice, peace and love.

Reach Out Center

The Reach Out Center provides opportunities for students at Assumption College to be able to get involved in their community and help out various agencies. The Center seeks to enhance the students' liberal arts education through meaningful, pro-active service and learn new outlooks of the world. It also creates a campus environment for the students that inspires and supports civic responsibility and community action. It also tries to encourage students to get involved as leaders to develop programs, recruit volunteers, and assess effectiveness.

Student Government Association

The Student Government Association consists of executive staff, senators, and class officers. Each class year has five executive positions and eight senator positions. The Student Government Association represents all full-time undergraduate students at Assumption College. They represent the voices of students and seek to make positive changes for the campus. The S.G.A. provides an opportunity for all students to actively contribute to the academic and social climate of the campus. They plan events for each class and the student body, including dances, class trips, community service projects and class fundraisers.

Residence Assistant Staff

Being involved in Residential Life Staff is challenging, rewarding and a unique experience. R.A.s serve as a resource and provide personal support to their residents. They all work together to maintain a safe, respectful and friendly living environment. The Res Life Staff provides social and educational programs for their halls on campus to connect the residence area with the academic and social life on campus. You meet new people, make so many friends, have a lot of fun, learn a lot about yourself and develop valuable skills for life after college. They also plan ice cream socials, contests for the floor, grocery bingo, and host floor meetings.

Multicultural Affairs

The Office of Multicultural Affairs (OMA) is responsible for providing campus-wide programming on diversity-related issues, ALANA student leadership development, faculty/staff partnership, resources and informing the community about cross-cultural communication and collaboration. The OMA staff advises the ALANA Network, which works closely with other departments, clubs, and organizations, to promote multicultural awareness and educational opportunities for community members. The ALANA Network achieves its goal of promoting cultural awareness by hosting several events which range from panel discussions to movie screenings, as well as guest lectures.

Le Provocateur

Le Provocateur is a bi-weekly student run newspaper for Assumption College. Their responsibilities are to inform the community it serves: students, faculty, administrators, staff, and others involved with the college. Members strive to cover all campus, local, and national events that are relevant to Assumption students and offers the students who work on the staff the opportunity to gain valuable experience in the fields of journalism, marketing, and publishing.

Yearbook

The Heights Yearbook is a student publication at Assumption College. Each year a dependable group of people is chosen to put in the time and effort to make a book of memories for the graduating class. Pictures are collected, captions and blurbs are written, and quite a bit of energy is put into making the book a success. Many memories are made while a book of memories is designed.

ADAPT

The members of ADAPT and of the 2010 yearbook would like to remember Alyssa Nanopoulos for her hard work and dedication to Assumption College.

This club was created to increase awareness of the diverse spectrum of individuals with disabilities on our campus and to promote community outreach. We aim to create a community based on equality and respect that strives to minimizes the stereotypes associated with people with disabiltities, to enable rather than disable.

Phi Sigma Tau recognizes students having high scholarship and personal interest in philosophy.

Phi Sigma Tau

The Philosophy club meets every Tuesdays at 8:30pm to discuss the sorts of questions that seem not to have answers, if there are answers for such questions as "What is art?" and "What ought we not laugh at?" we might very quickly get bored. So despite ending most weeks without answers, we always have our friendship as consolation. -Matt Owens 2010

Football

This year, the Hounds had a very successful season. Coach Cory Bailey came back for a second time and led this team to a winning 6-4 season. The boys put in a lot of hard work and it showed. There are many accomplishments that stick out for the 2009 Hounds. Dustin Zitzmann broke the career record for tackles with his 414! Herb Woodard, with his 2691 yards now holds the record for career rushing yards. Early in the year David Canney got his 100th career reception. Andrew Kupec received the Gold Helmet Award. All of these are statistics that everyone is proud of and these boys have left their mark on the Hound football program.

This year the soccer team worked really hard and it showed with their winning record of 9-6-3. The players and the coaches were all outstanding with their achievements this year. Steve Blaisdell and Austin Prete were named NE-10 Conference all-stars. Prete was named to the first team and Blaisdell was named to the second team. Tom Carroll and Dom Mondi were named to the all star rookie team. Coach Jeremy Bonomo was named to be one of the Coaches of the Year. He shares the title with the SNHU coach. Brandon Sullivan broke the record for most career minutes with 4,841 and he also had 9 shutouts in this season and only allowed 17 goals in.

Womens Soccer

This year, the Lady Hounds have worked very hard and with a winning season everyone can tell. Kelley DeWalt was named to play in the New England Women's Intercollegiate Soccer Association Senior Bowl. She was the leading scorer for the team and had three game-winning goals! Lauren Keating had six shutouts. The Hounds made it to the playoffs this year through their hard work and dedications to the team and the program.

Mens Cross Country

For the 2009 Cross Country season, the mens team was dealing with a fresh start with a new roster, new coaching staff, and new leadership. The mens team being led by senior captain Brendan Danaher ran hard all season with only a seven man roster. Top runners included sophomores Kyle Higgins and Chris Trajkovski, who ran impressive times throughout the season and will certainly be a force in the Northeast-10 in the 2010 season. By the end of the season the team had a solid finish in their conference and the squad advanced to the NCAA Regionals finishing well, with only 6 team members running. The squad will only be down one runner next year, and will certainly be a team in the running for the Northeast-10 Championship.

Womens Cross Country

The Assumption Cross Country team experienced a great season this year, showing improvement throughout the season, and most importantly enjoying every step of way. Having a brand new coaching staff this year provided some uncertainty for the season, but turned out to be very successful. Starting with the 5 AM double sessions in August for pre-season, the miles and miles of running were enjoyable because of the comradery of the team. Such a wonderful group of close friends makes the worst workouts, extreme weather conditions and long races some of the best times. The team would like to express their gratitude to our great coaches for all their support and most importantly to their other teammates for their hard work and enthusiasm throughout the season. Where would we be without "ACXC Dooooo!!"

Girls Volleyball

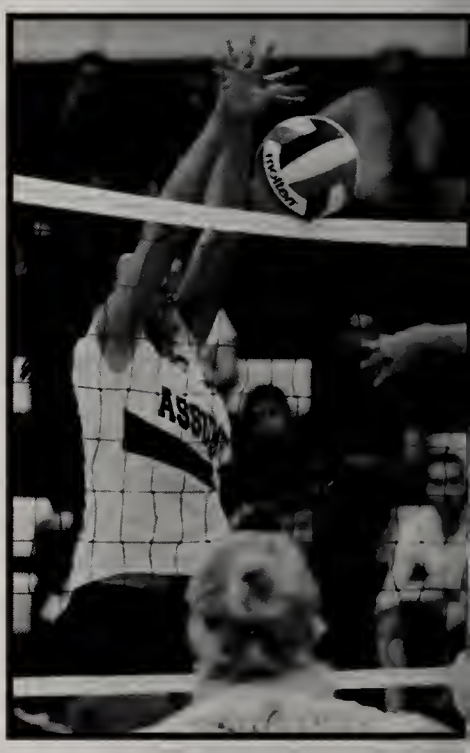

This year the volleyball team had a coaching change which brought in Leo Fahey and Heather Baker. They worked really hard to improve this program and the girls worked just as hard. These Lady Hounds have improved so much and will continue to improve into next year. The seniors were a key asset to the team and brought a lot to the team. Kelly Blumenaur stepped up as a setter this year after being the libero last year and had over 400 set assists for the season. Jess Haller has been an outside hitter since her freshman year and has had 515 kills in her career. Courtney Stratton was out for most of the season with an ACL injury, but she was at every game cheering the girls on!

Mens Basketball

This year's basketball team was very successful. The Hounds made it to the second round of playoffs and had many individual accomplishments as well. Senior Courtland Bluford had a career total of 1244 points. Michael Baldarelli joined the 1000 point club. Tim Bienert was named to the NE-10 All Rookie Team. Ronson Quick was named NE-10 player of the week. The boys continue to work hard in the off season and will come back just as strong next year.

Womens Basketball

The Lady Hounds worked very hard this season and it shows with their record. They had a very young team and it will continue to keep getting better. They made it to the second round of playoffs, but individually the girls made great strides of their own. Kayla Parker joined the 1,000 point club this year along with getting nominated by the league coaches as being on the third team all stars. Gabrielle Gibson and Katy Howard earned spots on the the all star rookie team. Gibson also received the rookie of the year award.

Track and Field

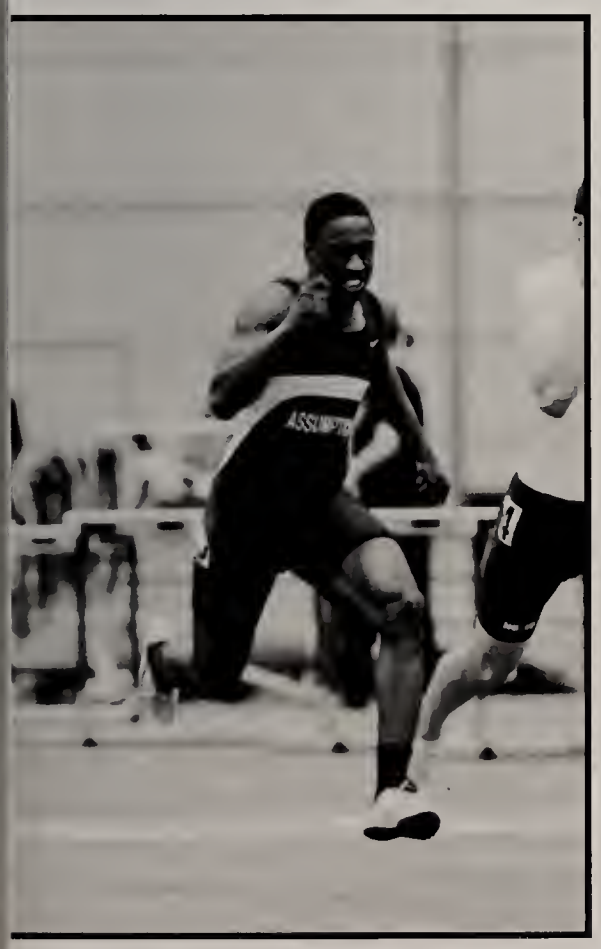

This year the girls track and field team was a very strong team. They worked very hard at practice and in their meets. Molly Kessler was a standout as a freshman and will continue to help the team in the upcoming seasons. She broke the school record for the 800 meter run with her time of 2:18.06. This time qualified her for New Englands. The seniors, Alicia King, Shauna DiCecca, Lindsey Schoen, and Jenns Hubacz, were great leaders and athletes as they finished up their last season as Lady Hounds.

The mens track and field team also worked very hard this year. Under the leadership of the seniors, Brandon Danaher, Kevin Dabrieo, Corey Farrand, Conor Gallagher, Dana Ortel, Chris O'Day, and Bernard Scott, everyone was able to stand out this season. Bernard Scott finished second and fourth in two different events in the NE Championships. As he graduates, he leaves holding the school record for the 55 meter with a time of 6:46 and for the 200 meter with 22.96.

Ice Hockey

The hockey team this year has shown so much heart as they pushed through their winning record of 14-10-1. The boys have many accomplishments to be proud of. They finished second in the regular season in the NE10, which landed them a first round bye week in the playoffs. The Hounds coach, Lance Brady, received a Coach of the Year award. Pat O'Kane (pictured at right) was named Player of the Year of the NE10. Pat O'Kane, Taylor Larsen and Kevin Glanzmen were named to the first all stars team. Patrick Fitzgibbons and Nick Blanchette landed themselves in the second all stars team. These Hounds will only continue to improve for next season!

Derek Migrants plays the outfield

The 2010 Hounds have worked very hard this season. They ended with an overall record of 24-24. Derek Migrant was not only a captain, but a key player to lead his team. He was named the East Region Player of the Year. He broke the record with his 268 hits. He was also named the NE10 player of the year. Michael Colebrook, also a captain, graduated with his name in the record books. As a lefthanded pitcher, he tied the record for wins with a career 19.

Swimming & Diving

The Assumption College womens swim team finished its second official season with a 6-1 record in dual meets. The team placed 6th in the Northeast - 10 Conference meet and 6th of 22 teams at the New England Championships at the end of February, moving up 8 places from its 14th place finish last year. With the growing program of dedicated returning members and talented recruits, the future looks very promising for this new team.

Equestrian

Overall the Equestrian Club had a great season! It was our first year being part of the intercollegiate show circuit. We competed against teams like UMASS Amherst, Smith College, and Holy Cross. There was not a show where an Assumption rider did not place, or get a ribbon. Thanks to our coach, Greg LePlace, and Wildaire Farm in Southbridge MA, we had a successful year, and are looking forward to next year! *-Molly Pietrantonio, 2012, Captain*

Womens Rowing

This year was one of the best rowing seasons and had the closest team Assumption women's rowing has seen. For the first time novice four made it to the grand finals at NERC. Varsity four earned the gold medal for our division finals. Most importantly the team was awarded the league varsity point trophy for highest scoring. We are all optimistic and excited for next year.

Laska Gym Dedication

Assumption College renovated the Laska Gymnasium for the first time since the building was erected in 1962. The renovation project included a complete facelift of the gymnasium and the lobby. A new maple floor, new seating, new scoreboards on both ends of the building, and installation of web-friendly and videographic outlets. The building was formally re-dedicated in honor of the man who most represents Assumption College athletics, its first lay Director of Athletics and head men's basketball (1951-67) and golf coach (1960-89), Andrew Laska. The re-dedication ceremony was held on Saturday, September 26, 2009. Ted Paulauskas '67, the present Director of Athletics and member of the 1963-64 basketball team that defeated Providence College (88-80) in the Dedication Game served as the Master of Ceremonies.

Intramural Sports

With a variety of team and individual sports available year-round, the Campus Recreation Intramural Sports program offers the chance to enjoy the sports in a fun and spirited atmosphere. There are options such as flag football, basketball, floor hockey, soccer, and many more. Each sport comes to the end of its "season" and there is a championship game. The two teams compete for the championship title, a rec sports t-shirt and a picture of the wall of fame. All of the games are refereed by student officials trained to know all the rules of the game. Intramurals are a great way for students to stay active and competitive in their busy school schedule.

Orientation 2009

"You Belong"

The Assumption College First Year Student Orientation was a great success this year. Following with the traditional "You Belong" theme of orientation, twenty orientation leaders worked hard throughout four sessions to acclimate the class of 2013 to Assumption College. Ten groups, named after some of Assumption's most important buildings, guided the 580 incoming first year students through class schedules, a reading from the book "Nudge," a variety of ice breakers and evening activities that gave the students a chance to make new friends. As for the 20 orientation leaders and three parent leaders, all experienced a life-changing three weeks where they formulated strong bonds with one another and grew to be well-rounded student leaders. Orientation 2009 will always be remembered, not only by the college students who ran into the Plourde in their blue and white OL uniforms, but by the class of 2013 who started their Assumption journey this past summer.

Matriculation Ceremony

This year's Matriculation Ceremony was held to celebrate the incoming class of 2013. As the third ceremony to date, it emphasizes the importance of a well-balanced life at Assumption College. President Francesco Cesareo welcomed the freshmen and informed them of the impact that an Assumption College education will make on their lives. This year, the senior student leaders read the academic honesty pledge to the freshmen to show their commitment to their education here at Assumption. After the ceremony, all students were encouraged to attend a campus barbeque.

St. Patty's Day 2010

Although St. Patrick's Day fell on a Wednesday this year, Assumption students did not hesitate to celebrate! The color green was present on campus as everyone became Irish for the day. The underclassmen sold St. Patty's Day t-shirts this year to get students even more excited for the holiday. Many students celebrated the holiday in style, visiting the various Irish pubs throughout Worcester. Mahoney's Pub was the hot spot for Assumption students this year.

Winter Soirée

"Tinsel Town"

On December 5th, Assumption College freshmen and sophomores had the opportunity to experience their very own winter soirée in the Testa Atrium. Testa was decorated with elegant Christmas trees accompanied by snowflakes falling outside. Students dressed in semi-formal attire, and danced the night away, making holiday memories together.

Pup Cup 2010

This year Pup Cup's theme was "AC Shore". Five couples competed in the Mr. and Ms. AC beach beauties pageant on Friday night. Kelly Simollardes and Michelle Lubas took the title of Ms. and Ms. AC. Saturday morning students played breakfast bingo and then enjoyed the beautiful weather at the carnival on Hagan Lawn. The carnival included photo key chains, stunner shades, henna tattoos, cotton candy, slushies, and inflatables that included the bungee run and a giant obstacle course. Following the carnival was a campus wide cookout. The night concluded with a drive-in movie showing Alice in Wonderland. The 2012 sophomore class won the championship trophy and it will be displayed in Charlies. The last weekend was successful as students celebrated the end of the year.

Welcome Week

Assumption's Fall Welcome Week, themed "Rule #2009: No Excuses, Play Like a Greyhound" was a success this year. It kicked off the year with Comedian Jason Schneider. The next night the crowd was amazed by Boston magician David Hall and his bunny! The week continued with a Hawaiian theme day with fresh fruit, frozen drinks, and free welcome week commemorative cups. Students won prizes during an Assumption tradition, BINGO. The week ended with a trip to Six Flags that was enjoyed by all.

Midnight Madness

Midnight Madness, held on October 14th, was yet another night of Mayhem. As fans scurried in to the new Laska gymnasium, excitement for the men's and women's basketball season to begin filled the air. The night began with t-shirts and other giveaways flying through the air. After the National Anthem, sang by Gina Tremblay '11, the host, Michael Lepore '10, introduced the cheerleaders and dance team to pump up the crowd for a season to remember.

Family Weekend

Family Weekend was held from September 25th to the 27th. The theme was "Building the Assumption Tradition, One Generation at a Time." The weekend was coordinated by Alyssa Adie '12, Kim Dorman '10, and Brittany Kindberg '11. The weekend started off with the Friday events, BINGO and an Assumption Talent show which featured Assumption's own Major Treble, comedian John Baglio, and the Latin Dance Team. The next day families enjoyed brunch before heading to the Kid's Mini Carnival and football game vs. Southern Connecticut. At night families watched the amazing talent of the Adult Circus, an acrobatic act. The weekend had a little bit of something for everyone to enjoy.

Light The Night

On Sunday, October 25, 2009 over 800 people gathered for the 10th annual Light the Night Walk, the largest and most successful fundraiser in Massachusetts, for the Leukemia and Lymphoma Society. The annual event celebrates the lives that have been taken by the disease and helps raise money for those who are still fighting. With a goal of $120,000, Assumption College has surpassed their goal at $130,394 making AC one of the only to exceed their goal in New England.

One Flew Over The Cuckoo's Nest

One Flew Over the Cuckoo's Nest, directed by Brian Tivnan, had five sold out performances from November 13th – 17th. This here play takes place inside a Psychiatric Hospital during the 60's, and it's about us patients and our struggles for dignity. See, what happened was we were all just taking our medicines and doing like we was told, and getting electroshocked when we acted up, when all of a sudden there's this new patient named McMurphy. I was scared of him at first, but now he's my new hero! Nurse Ratched tried to stop him from making all of us crazies happy for a change, but we showed her! We had parties, and watched the World Series, kind of, and played Basketball inside, and little Billy Bibbot even got some lovin'! Nurse Ratched kept on trying to stop us from really being alive, but we finally stood up to her! At least big Chief Bromden did, he got away from what he called the Combine, this thing that forces us into being manageable, "normal" people. Someone said that lots of people watched us every night, and that they thought the show was really good. Maybe that's why it seemed so crowded.

Hunger and Homelessness Awareness Week

The 2009 National Hunger and Homelessness Awareness Week at Assumption College took place November 15th through the 21st. The Reach Out Center sponsored a number of activities for Assumption College students and community members with the intent to raise awareness and educate about issues of hunger and homelessness and justice and dignity for all individuals in Worcester and in the world. Activities throughout the week included volunteer opportunities at the Dismas House and St. Paul's Food Pantry and a viewing of the documentary The Road Home which explores the issue of homelessness in Worcester. The main event for the week was the Sleep Out, a simulation event lasting from 7pm to 7am, which challenged Assumption College students to participate in a voluntary, educational and interactive night which included attending a soup kitchen simulation followed by a Sleep Out on Hagan Lawn. The first Annual Hunger and Homelessness Week was a great success as it provided the opportunity for discussion, education, and action about issues of hunger and homelessness in Worcester and in the world.

Pub Nights at Charlie's

Pub Nights, sponsored by CAB, involve friends, music, and a great time. They give students the opportunity to debut their bands, and listen to other local bands in the area. Pub nights also give students the opportunity to have a good laugh while watching various comedians. Pub nights are a good way to relax and spend time with friends on Friday nights without leaving campus. The music and laid-back atmosphere of Charlie's allows for a guaranteed fun evening.

Winter Ball 2009

"A December To Remember"

This year's Winter Ball certainly lived up to its name. The Event, hosted by CAB, took place on December 5th. Students loaded the buses at Assumption and proceeded to the DCU Center for a night of cocktails, dinner and dancing. Students ended the night with a wrapped favor that consisted of mugs and hot chocolate. Overall, the ball was a great success and students had a wonderful night. It's CAB's sincere hope that students left the ball with lots of great memories and excitement for the spring ball.

Midnight Breakfast

Every year students, faculty, and staff come together to celebrate the end of the fall semester by having a late night breakfast. Cold, excited, and stressed out students take time out of studying to line up and wait for the doors of Taylor Dining Hall to open. Faculty and staff greet hungry students with smiles, while serving up pancakes, eggs and tater tots. Midnight Breakfast is a time to laugh, relax, and celebrate another semester coming to an end with friends.

Christmas Time At AC

Christmas week filled campus with lights and music. During the annual "Christmas In Charlie's" students could take pictures with friends, decorate cookies, cupcakes, and even build their own gingerbread house. The next night, students could be found on Hagan Lawn to watch the annual Christmas Tree Lighting, while enjoying cookies, hot chocolate, and carols sung by AC's Chorale.

Siblings Weekend

Siblings Weekend 2010 was a Hollywood theme entitled "Lights! Camera! Sibs!" The weekend was planned by three CAB executives: Alyssa Adie '12 (Entertainment), Katie Storer '11 (Theme), and Erin Tegan '12 (Registration). Students and sibs enjoyed BINGO, an ice cream social, and watching Disney/Pixar's film UP! on Friday night. All enjoyed the carnival on Saturday! Sibs could tie dye their own t-shirt, which was sponsored by SGA, race through an obstacle course, or get their picture taken on the front of a cereal box. Saturday night's entertainment was a magical success! Magician Jay Mattioli, from America's Got Talent, amazed the crowd with his magic tricks, making a dog appear out of thin air! Altogether the weekend was filled with fun!

Spring Break Trip To...Ireland

The Ireland Trip took place from March 5th-March 12th. On the way to Galway we stopped at the Cliffs of Moher. This was a breathtaking sight and a great way to start the trip. We took a walking tour of Galway to see the Spanish Arch, the original Claddagh ring store, the Collegiate of St. Nicholas of Myra, and Galway's modern Cathedral. On our way to Cork, we toured through the Killarney National Park to see Molls Gap, Ladies View, and other views of the Ring of Kerry. We visited the Blarney Castle to kiss the Blarney Stone and receive the gift of eloquence and to shop at the Blarney Woolen Mills. We traveled to Cobh where we visited the heritage centre, located in the old Victorian Railway station. On our way to Dublin, we toured the Rock of Cashel, which was once the seat of the Kings of Munster. We experienced Dublin's famous pubs and musical tradition through a musical pub crawl of Temple Bar. On the last full day in Ireland, we visited Trinity College to view the Book of Kells and the Guinness Storehouse. Later, a few of us toured the Kilmainham Goal, a former prison that plays an important role in Irish history, as many leaders of Irish rebellions were imprisoned and some executed in the prison. Ireland is an amazing and absolutely beautiful country, I recommend that you visit it and experience the scenery and history the country has to offer.

START 1 RETREAT

Every year, Campus Ministry offers START (Students Talking About Religious Topics) Retreats for Assumption students. Founded in 1999, the START 1 Retreat is a one-night retreat that provides opportunities for students to get off-campus with one another, listen to talks given by fellow students, reflect in small groups, engage in large group activities, and simply be with one another outside of the campus environment. What makes START Retreats so successful is that they were created by Assumption College students, are led by those who have participated in one in the past, and are specifically designed for students at AC.

-Stephanie McCaffrey, Asst. Director of Campus Ministry

Above: Joe Grivers and Kristen Norris act out skits during the retreat.

START 2 RETREAT

For students who want to take the next step beyond START 1, the START 2 Retreat is offered over two nights at St. Benedict Abbey in Still River, MA. While structured similarly to the START1 Retreat, START 2 gives students the opportunity to reflect more deeply on their life of faith and their relationship with God. START 2 provides the time and space to connect on a deeper level with other students, to re-connect with oneself, and to reexamine one's faith, deepest beliefs, and values.

SEND: Spring Break Mission Trips

The SEND spring break immersion trips are designed to give students the opportunity to put their faith into action in fun, creative, and meaningful ways over Spring Break. They combine hands-on service work with community-building, justice advocacy, and faith reflection, while also giving students the opportunity to visit other parts of the country. Join hundreds of other students who have participated in these experiences! Currently, destinations include Baltimore, MD, Bay St. Louis, MS, New Orleans, LA, Philadelphia, PA, Washington, DC, and Camden, NJ.

Spring Ball
Mardi Gras Masquerade

The 2010 Spring Ball was held at the DCU Center on Saturday, March 27th. This year's theme was Mardi Gras Masquerade. Once students arrived they were treated to vegetable hors d'oeuvres until the main doors opened and allowed students to enter the ballroom for dinner. Once inside, to go along with the theme, all students were given masks and beads. After dinner students enjoyed a night of dancing and fun that ended with all the students receiving a embroidered fleece blanket as a favor. The spring ball was a great success and students had a wonderful time dressing up, dining and dancing.

Duck Day 2010

The Assumption College ducks were welcomed back to their home at the 6th Annual Duck Day on April 14, 2010. The ducks, who are taken care of by Professor Ken Moynihan and his wife Mary Jo during the winter months, were warmly welcomed back by the crowd as they walked down the red carpet and into the pond. Assumption students and faculty joined each other at the front of campus, along with students from local elementary schools, to celebrate. All proceeds from duck day t-shirt sales went to the Be Like Brit foundation in honor of Britney Gengel. This year they raised $850. Joey the duck made his appearance at the homecoming and was greeted by many excited students and children. Duck day continues to be an event on campus that many look forward to all year.

AC Celebrates Earth Week

During Earth Week 2010, the Environmental Club sponsored numerous awareness events. Members informed the Assumption College community about two upcoming meteor showers & how to enjoy them to the fullest, informed students about the Freecycle network in order to start one on campus, and taught the AC community about organic stores in Worcester & Farmers' Markets in various regions. Lastly, the Environmental Club got a tree planted near the Duck Pond on Earth Day. Also, RHA hosted "Grocery Bag" Bingo to celebrate Earth Day.

Last Day of Classes

CAB sponsored a last day of classes celebration. This year we were fortunate enough to have singer, Jason Levasseur. He performed inside of Charlies due to the lack of nice weather. Students came by to enjoy his music and free ice cream. It was a fun event with mixed emotions as students began to wind down the year.

The Spring Musical

"Oliver"

Oliver was presented by the Assumption College Department of Art, Music & Theatre at the Hanover Theatre on April 23rd through April 25th. There were capacity crowds for all of the performances.

"Poor Oliver. As an orphan, he found himself in the wretched conditions of a childrens' workhouse run by the harsh Mr. Bumble and Mrs. Corney. Shortly after being sold to the Sowerberry's, a family of undertakers, he found himself on the streets of old Victorian London, where he chanced to be found by the young Artful Dodger and taken in by the Master of Thieves himself, Fagin. Though pursued by the dreadful Bill Sykes, and cared for by the lovely Nancy, he was eventually, by fate and circumstance, taken in and given a home by his very grandfather, the kindly Mr. Brownlow, and the faithful Mrs. Bedwin."

And the Spring Concert Is...

Third Eye Blind

The 2010 spring concert this year, featuring Third Eye Blind, was the first sold out performance in Assumption College history. Preparation for the concert began at 6a.m. where the CAB executive board and volunteers began setting up for another successful night. The doors were opened at 7pm as 1,300 students filed into the Plourde Recreation Center. The opening performer, Upwelling , set a good vibe for the crowd who got there early. Third Eye Blind came on stage around 9pm and performed some favorites, such as *Jumper*, *Semi Charmed Kind of Life*, and *Graduate*. Third Eye Blind was a great concert choice, allowing students to have a fun filled night!

Honors Convocation 2010

The twenty-sixth annual Honors Convocation was held in the Chapel of the Holy Spirit on April 19, 2010. The ceremony is held each year in honor of students at Assumption College who have achieved academic excellence in their particular field of study. President Francesco Cesareo welcomed those who attended. A memorable speech was given by Jay Marciano, an Assumption alumni and graduate from the class of 1984. During his speech he compared the education at Assumption College to a toolbox and explained the importance of an Assumption College education and that everything you learned at Assumption can be applied to the next stages of life. At the end of the ceremony, family, friends and staff were invited to a reception held in the Atrium of the Testa Science Center.

Remembering Our Last Four Years

"Students Spend Spring Break Cleaning Up After Katrina" *-March 2006*

During spring break of 2006, students of the Assumption community took a 26 hour bus drive down to Chalmette, Louisiana. Students and faculty spent a week in Louisiana cleaning homes, gutting walls, removing debris, and more. The homeowners, who lost everything, were more than welcoming and offered workers food and money for their help and consideration. Students and faculty said the trip was a huge success and they look forward to future trips.

"New A Cappella Group on Campus has Recipe for Success" *-May 2006*

After long deliberation and what seemed like endless nights of practices, The Offbeats have introduced themselves to the Assumption Community as a new men's a cappella group. The group began with four members that soon emerged into a group of seven that have proven that they have the ability to be something great. The group has had the pleasure of performing at AC Open Houses and continues to thrive with student support and faculty recognition.

"Veterans At Assumption Share Their Experiences" *-January 2007*

Veterans Dominick King and Bryan Carella are both part of the Assumption Community and have shared their stories with AC to bring awareness of how difficult the transition from war life to civilian life can be. It is also difficult for the two to deal with daily life experiences and remember how hard it was to fight in these wars and have to remember the hardships experienced while at war. King has been medically discharged and shares how hard it has been to receive medical benefits and education benefits. Both have said that rejoining the army wouldn't be a second thought but it would have to be thoroughly looked into before returning again.

"100 Days of Progress with Cesareo" *-October 2007*

Since President Cesareo's first day, a sense of community has expanded within the college body. Cesareo came to Assumption hoping to bring a sense of community to both the student body and the faculty body. The President's actions have been greatly welcomed and accepted by the community and students and faculty hope to see continual additions to campus life and academics. The President has many plans for the future that will allow students to receive an education with a core theme, and provide faculty with less broadened courses and a narrowed theme. The President is expected to do very well during his time at Assumption and the community has been more than welcoming to his actions and expectations.

"Assumption College Making a Pilgrimage to Lourdes" *-February 2008*

Assumption College made a 9-day journey to Lourdes, France led by President Cesareo and Cardinal McCarrick. The trip was open to the entire Assumption Community and provided participants with two nights in France and five nights in Lourdes. The trip was a huge success and gave tourists the opportunity to see the holy shrine and the watering hole made by Mary. The spiritual and healing rewards are the most gratifying experiences for tourists and help tourists to leave with a new sense of belonging and comfort.

Through the Eyes of the Provoc

"President's Mansion Retooled as New Admissions Center" -*March 2008*

After construction and reorganization, the President's mansion become the new home of Assumption College Admissions. Dean of Admissions, Kathleen Murphy explained how happy she is about the change, and has seen many changes over her 34 years of work and knows that this will be a good change. The building will provide Admissions with more room and a homier feeling to invite prospective students and their families onto the Assumption College campus.

"Cancelled: Junior Class Trip to Montreal Not Happening" -*October 2009*

After a highly anticipated wait to attend the junior class trip to Montreal, this year's junior class was informed of the canceled trip and were truly disappointed.. After considering and reviewing the annual trip to Montreal, it was decided by the class president and advisor that the trip isn't being taken for its full worth. Students were less than happy and when they found out the trip was changed to Washington, D.C., few participants arose. The trip was eventually canceled but there is hope that next year's class will take the opportunity.

"Madness Strikes At Midnight in the New Laska Gymnasium" -*October 2009*

Master of Ceremonies Mike Lepore helped Assumption kick off its 2009-2010 men's and women's basketball teams. Midnight Madness, an Assumption tradition, excites fans and prepares the two basketball teams for an unforgettable season. The night begins with introductions of the teams, three-point shoot-outs, slam-dunk contests and half-court shoot-outs. Students go for the free prizes that ranged from horns to t-shirts. Midnight Madness is truly a success for both players and fans.

"Relay For Life Participants Raise Over $10,000 For Cancer" -*April 2010*

For the second annual Assumption College Relay for Life, students took time out of their busy schedules to remember those affected by cancer. The Relay raised over $10,000 and was organized by two AC seniors, Martine Krzeminski and Kristin Quinn. The two shared their stories of individual difficulties that they have had to deal with due to cancer. Both wanted to bring awareness to the AC community and help to "Celebrate, Remember, and Fight Back."

"Students Bring Darfur Awareness Week to AC" -*April 2010*

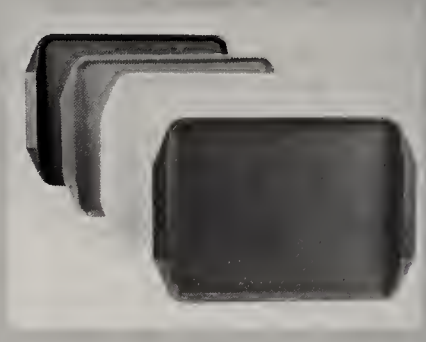

In memory of Alyssa Nanopoulos and the thousands of individuals affected by the Darfur genocide, six honor students took a week to bring awareness to the campus about the issues that are currently going on in the region of Darfur. Leaflets were handed out to students to help them get a better understanding of how serious the genocide is becoming. A short film was also shown in Kennedy to share the experiences of six humanitarians who are helping to bring hope to Darfur and its people.

Marikate Greene

MK
We are so proud of you and all of your accomplishments. From our little Tom boy, we have watched as you have grown into a beautiful, intelligent, determined young lady. We are blessed to have such a special daughter like you. Whatever you choose for a future path, I am sure that success will be there waiting for you. Never lose you warm loving heart or your feisty spirit, because, that is why so many of us love you.

Your whole family and a couple of angels are cheering for you.
Congratulations!!! MK

God Bless you always and we will love you forever.
Dad, Mom, Patrick

Dear Marikate,

It doesn't seem possible that the beautiful little girl who loved to spend time in the "shoe department" is the beautiful young lady now graduating from college (still enjoying time in the "shoe department").

We have watched, with great satisfaction, all that you have accomplished but your soft heart and warm, caring personality are the things which set you apart.

How wonderful to see that your faith in God is still such an important part of your life!

Marikate, you have made us so proud.

We love you, Grandpa & Grandma

Congratulations Jim on your college graduation!

You did a great job managing your classes and hockey. We know that wasn't easy. We are very proud of you and your accomplishments. We know you enjoyed Assumption, stayed on the right path and we are certain that will lead to a great future for you.

Love,
Mom and Dad

Congratulations Ashley on your wonderful achievement. We wish you all the best and continued success as you embark on you next adventure in life. We hope all your dreams come true.

Love Mom, Dad, and Matt

Brian Foley

Congratulations! Brian Foley on this milestone in your life. Thank you, Brian, for all your hard work in our office as a Student Worker. We have seen your growth over the years. As you embark on this new chapter in your life we wish you all the best and we will miss you.

Your journey in education began with such small steps at Chestnut Nursery School. Wit each new footstep you embarked upon, you encountered enriching, exciting and rewarding adventures from your elementary to high school years. Your paces became longer and surer and brought you to Assumption. All the while you were forming your goals and expectations of the life you would desire for yourself. Your strides are much longer now, and your formal educational journey is nearing its end with some wonderful memories of Assumption. We are so proud of the woman you have become, and all that you have accomplished and achieved.
Remember, always look back and learn from your past, plan wisely for your future, but always live and enjoy the present to its fullest.
You are an awesome, strong and resilient human being and have everything within you to create your own destiny. So shoot for the stars!!

"You go girl!"
God bless you always,
Love, Mom, Kat, and Auntie

To my son Collin,

You have made us all so proud. As you know, I have gotten to know many youngsters over the years, and you are by far the finest. You are not only my son, you are my friend. We all love you, and wish you peace and happiness in life.

Dad

Chantal, our "masterpiece of sweetness" you always have made us proud. Remember someone once said:

"Dream Believe Achieve!"

"Shoot for the moon. Even if you miss, you'll land among the stars."

"If opportunity doesn't knock build a door."

Love Mom, Dad & Max

Graduation is only a concept. In real life every day you graduate. Graduation is a process that goes on until the last day of your life. If you can grasp that, you'll make a difference.
~Arie Pencovici

Love YOU always, Mom, Dad, Hannah, Familia Henriquez and Familia Pirez

Young woman, our daughter,
our joy and our heart,
You've reached the end
only to find a new start.
The world sees the young
woman with her charm and
smile,
But behind the woman,
we will always see our child.

Congratulations Sara!

We love you,
Dad, Mom, Megan & Nick

Katelyn, know that your mother would be extremely proud of you in what you have accomplished through your demonstrated determination and perseverance. I know that I am.
All my love, Dad.

Congratulations Katie. From the very beginning, you had no doubt that Assumption was the college for you. Four years later, you've proven this to be true. With your hard work, you've grown intellectually and socially. Your class standing, you friends, a baccalaureate degree: we are so very proud!
Love Mom, Dad, and David.

Marie,
How swiftly time flies....from Busy Bee Nursery to St. Pius V School, Bishop Fenwick and now your graduation from Assumption.
One phase of your beautiful life ends and another begins. Use all the tools.
The world is out there waiting for you.

Love,
Mom, Dad, and Lissa

Nicole Anne,

You're gonna miss this
You're gonna want this back
You're gonna wish these days
hadn't gone by so fast.
These are the good times
You may not know it now –
But you're gonna miss this.

SO PROUD – Love Mom & Dad

Martine,
We are so proud of you and all that you have accomplished. We just can't wait to see what's next!

Caitlin Elizabeth Mahoney

Class 2010

We remember the day you started Kindergarten and here you are graduating from college. We have so many wonderful memories of your achievements along the way, basketball, soccer and track meets as a three-season athlete. The dances, plays, studying for exams for the selection of challenging science courses you love. You always live life to the fullest.
While studying abroad you enjoyed the cultural and educational opportunities while visiting numerous countries on weekends and breaks. The friends you made in London and in college will be with you for a lifetime.
You always had that wonderful vivacious personality that people are attracted to. Your open, honest, friendly nature and warm smile has brought you many good friends and will help you to succeed in life.

"Your vision will become clear only when you can look into your own heart. Who looks outside, dreams; who looks inside, awakes." Conrad, clearly - you are well on you way to "awakening"and I am so proud of the man you continue to become. Vocatus atque non vocatus, Deus aderit.

Without the organization and creativity presented by Lili, this yearbook would have never been as successful as it is now. We would like to extend the warmest thank yous for all you have done for our staff. You have been an amazing coordinator and Administrative Assistant throughout our four years of college, and we as graduates of Assumption and yearbook staff members would like to thank you and wish you well with all future Assumption classes!

– 2010 Yearbook Staff

Eric Swindle

Everything that goes on in the student activities department of Assumption College is overlooked in some way by Eric. We would like to extend our thanks to helping us out with any problems that may have come up and also for allowing us to bounce ideas off of you!

-2010 Yearbook Staff

Registrar's Office

The Registrar's Office is responsible for more things then any student can fathom. In order to get all of our information correct as well as all of the addresses for the index we extend our thanks, especially to Mary Beddes.

-2010 Yearbook Staff

Herff Jones

Thank you for providing the Assumption graduates of 2010 with such a wonderful yearbook. Without a publishing company such as yourselves, we would have never had such opportunities or creativity to incorporate into our yearbook. We are pleased to have worked with you over the past school year. You have helped us give our class a yearbook that will be hard to put away. It was an honor to work with you and we thank you for your hard work and helpfulness throughout the year.

– 2010 Yearbook Staff

Dan Smith

You were our man all year! We counted on you for endless requests and at odd hours of the day. We tried to coordinate our pizza parties to include you but sorry that did not always work out. However, without your comments, suggestions, and constructive criticism we wouldn't be able to say that we have a fabulous yearbook. You came and helped us at every call and arrived in our offices without hesitation. We enjoyed our year of working with you won't ever get an opportunity such as this again. So we thank you Dan Smith for all you have done for us and wish you luck with future yearbook members.

–2010 Yearbook Staff

Class of 2010

We thank you for putting up with our endless emails and facebook reminders about submitting pictures, quotes, blurbs, and anything else we may have asked for. Thank you for putting an effort into your yearbook and we hope you enjoy.

2010 Heights Yearbook Staff

Every year a seniors get to the end of their spring semester and get a ton of notices in their mailboxes. These notices are for various things but there is occasionally one for the Heights yearbook. It is then that people begin to question the existence of such a thing. Assumption College has a yearbook? Well it does and quite a bit of time and dedication has gone into making our 2010 yearbook.

At every event you participated in especially this year there was a person present taking pictures that could be put into a hard copy form so a memory could be formed.

On a rainy Monday when you were cozy in your dorm watching television there was a staff of six people in the yearbook office sometimes until ten at night attempting to meet a deadline. As a staff we designed this book but it is you who put it together.

I would like to thank the heights staff that put so much time into this book. There were days and nights when we thought we were going to strangle each other but we met the deadline which was always our goal. Most of you started from scratch not knowing much even about graphic design but you ended this year with a new skill and new friends.

I would like to thank each of you for bearing with me when dealing with fonts, picas, pictures and blurbs. We had our long and stressful nights but do not for get the fun we had. For example, long pizza parties, Moe's demonstration with gummy bears, and Jen's discovery of Jay's chin. Jen and Sarah dancing at our pizza party, introducing Maribeth to Moe's and our endless torture of Matthew Martin. We got up close and personal this year so remember that every time you look at the work you put into our "masterpiece".

Matt Martin

The 2010 Yearbook Staff is greatly appreciative of the work that you put in to help us complete such a fantastic yearbook. We know it was difficult for all of us to start and get things going with all of us being new to the experience. We had a wonderful year getting to know you and getting to work together as a team on our yearbook. We had some great times that were in large part thanks to you and your uplifting attitude. It was a year to remember and a yearbook to never forget. We hope you enjoyed the time as much as we did. Thank you for all of your time and effort that you put into us as a staff and making sure that we were completing tasks on time and with excellent work. It would never have been such a great year without you, the help you provided us, and the good spirit that you kept throughout our deadlines. Thanks Matt!

-2010 Yearbook Staff

"Don't sacrifice this world to those who are its worst. Don't let your vision be distorted by the ugly, the cowardly, the mindless. Don't let your fire go out in the hopeless swamps of the not quite, the not yet, the not at all. Don't let the hero in your soul perish in lonely frustration for the life you deserve but haven't yet reached. The world you desire can be won, it exists, it is real, it is possible, it is yours."-Ayn Rand

Assumption College Class of 2010,

We have now taken that step. We have crossed the boundaries that we could not even fathom four years ago. We are now adults in the real world. For some people that means more school, but for many others that means a job, bills, loan repayments all of the things we did not think about while enjoying our time at Assumption College. Our stay at Assumption, and the experiences we had, shaped us into the adults we are now.

Do not ever forget to look back as you move forward. Try and remember all of those things that those people (professors) tried to drill into you. Some of those classroom lessons were important! More importantly try and remember all of the life lessons that you learned outside of the classroom. Remember the people you met along the way and take a minute to reflect on the memories you shared. You might not have stayed in contact with everyone and you may not ever talk to your freshman roommate again, but do not erase the memories.

As you get older and move out of your parents homes you will pack up all that is yours. Take this book with you and think about contacting someone you miss. As our reunions occur I invite you to continue to share those memories, and bring along your yearbook. You will be surprised at what a simple picture and a blurb can do to remind you of a precious moment you experienced while at Assumption.

Our class made an impact on the school that we called home for four years. We were large in numbers and we left our mark in many different areas. Continue this tradition as you go on in your professional careers and make the best of whatever life gives you. Congratulations on graduating and good luck in the future!

Whatever happens, make this next chapter your best yet.

When you start your education as a five year old student, you fell stuck in time and never expect to reach the day you graduate from college. People always say these years are going to fly by, but you always think "that won't happen to me", but it does. We enter preschool, elementary school, middle school, high school, and college with the same thought, "these days are going to go by so slowly." We never imagine that years will pass within the blink of an eye and graduations will mean a new door opened and new opportunities to be taken. New friends are made and new memories are embedded into our minds. We grow up and begin to realize what family means, who our true friends are, how special certain milestones are in our lives. We grow up without even realizing it.

College are perhaps the four years of every students life that provide the most information, memories, friends, life experiences, and valuable lessons. When each student enters as a freshman, they are filled with nerves, excitement, happiness, sadness, and more. We never think that everyone else feels the same way or that students above our grade felt exactly the same when they entered. It is such a foreign experience, but we learn so many valuable lessons within our first years of college. We learn how to manage our own time between school, entertainment, and work. We start to make new friendships that could last a lifetime, and we begin life learning what it means to be an "adult".

As our four years continue through hundreds of papers, multiple presentations, and dozens of all-nighters, we start to realize that college is a little more challenging that we once expected. We begin to understand how important our expensive education is and learn how to balance a steady lifestyle of work and play. What we don't realize is how much we have learned about ourselves and how much we have grown and expressed who we are as individuals. We begin to realize what defines us and who defines us. We start to appreciate ourselves, our families, and our friends just a little more. College enables us to grow in a protected setting that allows us to make mistakes, learn from our mistakes and experience new avenues that would never have been open to us before.

When it comes to senior year, we find that we are finally rewarded for our years of hard work and determination and giving back to the college. We have the ability to enjoy our last months, make our friendships last, and figure out what we want to do with the rest of our lives. Senior year provides us with interviews, internships, career fairs, seminar classes, and huge decisions. We start to understand that "real life" is right around the corner and we have our last few months to enjoy being 22 year olds. From our first night out to our last day on campus, senior year is meant to be a year of parties, fun, and excitement.

Our class was one to be remembered. We were the largest class to be admitted to Assumption College, and we made some lasting memories to faculty, staff, and administration. AC's class of 2010 had four of the best years that we will remember for the rest of our lives. Our friends will continue on in our lives and memories and our memories will live on in our hearts. Our class has paid their dues to Assumption and we have parted ways only to return years from now at a class reunion reunited with familiar friends and new stories to share. Congratulations 2010, continue to shine with future endeavors and always be the best you can be.

Journey's End

In western lands beneath the Sun
The flowers may rise in Spring,
The trees may bud, the waters run,
The merry finches sing.
Or there maybe 'tis cloudless night,
And swaying branches bear
The Elven-stars as jewels white
Amid their branching hair.

Though here at journey's end I lie
In darkness buried deep,
Beyond all towers strong and high,
Beyond all mountains steep,
Above all shadows rides the Sun
And Stars for ever dwell:
I will not say the Day is done,
Nor bid the Stars farewell.
